THE THREE DETECTIVE RULES, READY TO CUT OUT

One for the fridge. Three for your pencil case.

THE THREE DETECTIVE RULES

1. Check first, then believe.

2. Secrets are for people you trust. Not for companies.

(And a secret that gives you a stomachache isn't a secret — that one you tell a grown-up.)

3. You're the boss.

Nina, Serafina & Selina · Book 2
